Artist Information & Survey

WGFAU is a fine arts group of local artists representing a variety of visual arts in the area around the Wild Goose Trail in Wisconsin. Our vision is to bring art into the communities we live in and bring people from other areas to our communities. Our group consists of both artists and supporters of the arts.

We want this new organization to be a collaborate effort on the part of the members. Please help us learn a bit more about you by filling out our survey.
